1. Per reference, BOB has been requested to consider the possibilities of mailing approximately 50 copies monthly of the INFORMATION BULLETIN from cities in East Germany and to provide [] with East German stamps and envelopes for addressing by the AECASSOWARIES.
2. It is requested that [] ask AECASSOWARY-6 if the AECASSOWARIES have access to telephone books of East German cities for use in preparing return addresses. Other possibilities for return addresses include use of addresses of Soviet personnel residing in East Berlin and East Germany, the Committee for Return to the Homeland and the Committee's front organizations.
3. In view of the fact that the Homeland Committee utilizes addresses of emigre organizations in West Germany, it seems that the use of the Committee's return address would be a good counter-action. Your comments and suggestions are requested.
4. In the event an affirmative reply from BOB is received, [] should be prepared to provide necessary support to the AECASSOWARIES and BOB in order to initiate this action at the earliest possible time.
5. Copies of the November, December and January issues of the DIGEST OF THE SOVIET UKRAINIAN PRESS are being forwarded as a separate cover attachment for the attention of []
